PROCEDURE FOR 1500M & 800M EVENTS:

Event 1 & 2 will be deck seeded. Freestyle and form strokes will be swum simultaneously in both 25m pools, therefore swimmers in the 1500m events - 101, 102 and 103 will all need to be at the pool for start of Event 1 at 8.30am sharp.

Event 2 will start at the conclusion of Event 1. Freestyle and form strokes will be swum simultaneously in both 25m pools. Swimmers in Events 201 to 205 will therefore need to be at the pool at the start of Event 2.

The 1500m & 800m freestyle events may be swum two to a lane depending on numbers. The 1500m & 800m form strokes will be swum one per lane. Freestyle swimmers who are attempting a record must indicate this to the officials and they will be allocated a lane to themselves.
